

WASHTEX ABC BLANKET CLEANING FABRIC

No matter how you cut it, the bottom-line is that WashTex ABC Blanket Cleaning Fabric will save you money!

Whether your needs are for ABC (automatic blanket cleaning) systems on small to medium sheet-feds, or on large high speed webs, you can be sure that WashTex will always deliver the very best quality — at the very best price.

Whichever press ready mini-roll you choose — you'll discover that all WashTex blanket cleaning rolls perform equal to or better than all other fabrics available.

Strong, solvent resistant, nonlinting, super absorbent, non stretch, plus one extra special ingredient — **CONSISTENCY**. WashTex is made under the most stringent standards of quality control, so every roll conforms to exactly the same specifications, time after time.
